CONTACT

Reijer Teitsma is the housekeeper of our house on Curacao. His phonenumber and email are

(+5999) 518 40 16

info@reijerteitsma.nl

If you have any questions Call Reijer!

HOUSE RULES

The house may be used for a maximum of 8 people.

The maximum electricity use is 30 kWh a day (extra usage will be charged at \$ 0,80 per kWh).

No parties over 12 people.

Be aware of that the noise you make, will not create inconvenience for the neighbours!

HOUSEKEEPING

Clean towels and bedsheets will be arranged once a week.

KEYS

When you arrived, Reijer will welcome you at the house (about 1 to 1,5 hours after arrival of the Airplane. Reijer will be there and wait for you). Reijer will give you the keys and will explain everything.

GATE

The house has a gate. You will get an opener with keys.

ALARM

At arrival you will get the alarm key. It is simple. You do not need codes, only a smart key with buttons.

If the alarm goes off you can put it "off". There will be a call to Reijer and to the security organization CSS. Reijer and CSS will follow up the alarm. If you have a "false" alarm please call Reijer (518 40 16).

SAFE

The safe (for your wallet, lap top, passports, etc.) is located in the brown closet in the master bedroom on the Floor.

The code of the safe is:

- (i) B (button right below)
- (ii) 3333
- (iii) B (button right below)

WASHING MACHINE / DRYER

Left on the **washing machine** there is a program list. Choose a program and then push start.

After washing WAIT 3 minutes before opening the door!!

The **dryer** has 3 switches.

- (i) Choose your drying time
- (ii) Choose “delicate” or “heavy”
- (iii) Start switch

ELECTRICITY

There are 110V and 220V Electricity points all over the house. So you can choose what to use.

GARDEN LIGHTS

The lights in the Garden will go on automatically.

GARBAGE

The garbage will be collected Thursday's. Please put the Green Container outside.

TELEVISION

Remote control **Hisense (black) (big)** you will push **ON**. Only use this remote control for ON and do **not** use for anything else.

Remote control **(no name) (black)(small)** you will push the **red button**.

Then push (home)

On the menu of the television choose LIVE TV / FILMS / etc.

WIFI

There is wireless internet in the house.

The network is "Redaweg74".

The password is ***also*** "Redaweg74".

Sometimes there are internet problems on the Island Curacao. It is not possible to fix, so we have to cope with that. If it will last longer than 4 hours you can call Reijer. Normally it will come back by itself.

PRINTER / SCANNER

Functions

- (i) Print from your lap top

Find the driver for HP 8600 Officejet pro. Install the driver and print. There is a cable connection at the printer (white cable).

- (ii) Print by sending an email to the printer

You can send an email to:

msnels74@hpeprint.com

The email will be print automatically on the printer (put printer on).

Attachments will print also.

(iii) Scan to an email-address:

Put the paper to scan under the glass cover.

Push "scan"

Push "email"

Choose "seasidevillacuracao" button

Type "your subject" (if you like)

Type "email address" you want the send to

Push "start scan"

Ready!

(iv) Scan to print / Copy

Put the paper to scan under the glass cover. Push "copy".

GAS

If the gas in the kitchen is off you can close one gas tank, open the other and it will work again. Just outside the window in the kitchen (big gas bottles).

Please tell Reijer our housekeeper that you switched of the gas so we can order a new one. If you have any questions just call Reijer (518 40 16).

BBQ

There is a spare bottle. Please let Reijer know when the gas is finished and when you changed the bottle (so we can fill it again).

Turn both wheels on start and then press the red button.
